1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Boyd on 6/28/04.

The application has been amended as follows:

In claim 1, line 1, after "device", the following has been inserted --configured to contain a vaporizable material--.

REASONS FOR ALLOWANCE

2. The following is an examiner's statement of reasons for allowance: the claimed invention is allowed over the prior art of record because the prior art does not show the claimed device further having the removable second structure comprising a bottle having an aperture configured in substantially the same size as the recited outlet structure.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
